

Silent Auction at CNW 2012 in Orlando

From: The A.S.P.E.N. Rhods Research Foundation Development Committee

Subject: Donations requested for the Foundations Silent Auction

For the third consecutive year, the Foundation Development Committee will host a Silent Auction at Clinical Nutrition

Week 2012 in Orlando, January 21-24. We are hoping that you will participate this year by contributing a gift to the 2012 auction. Here's some of the reasons we feel your donation to the silent auction is worthwhile:

- The auction provides an enjoyable activity for CNW attendees
- It raises the consciousness of attendees toward the Foundation mission of providing research grants to emerging investigators.

For auction facts and donation suggestions, [visit our web site](#) (scroll down to Silent Auction):

http://www.nutritioncare.org/Research_Programs/A_S_P_E_N_Rhods_Research_Foundation/ or email paulab@aspen.nutr.org.

The Cause:

The A.S.P.E.N. Rhods Research Foundation is dedicated to the support and mentorship of promising investigators in the fields of nutrition therapy, metabolic care and related areas of clinical nutrition by providing modest funding for their research. The research these investigators do today may shape your practice tomorrow.

THANK YOU!
