

Regional Coordinators are in integral part of the Oley Foundation's outreach efforts. To date, the following patients/caregivers have accepted these volunteer positions. If you need someone to speak with, or are interested in a get-together, contact the volunteer nearest you (even if he or she is not in your region). We encourage you to contact any or all of the others as they have an assortment of knowledge and experience to share. To make speaking with fellow lifeliners more affordable, Oley also circulates two toll-free numbers to experienced HPEN consumers on a monthly basis. A schedule of the toll-free numbers is printed in the *Lifeline Letter*. The toll-free schedule, and updated RC list, are also posted on our webpage at [www.oley.org](http://www.oley.org) and are available at the Oley office (800) 776-6539. Please call or email [BishopJ@mail.amc.edu](mailto:BishopJ@mail.amc.edu) if you are interested in becoming a Regional Coordinator or learning more about what is involved. **Regional Coordinators volunteer to provide peer support for HPEN patients and family members. They should not be contacted for solicitation, marketing or research purposes.**
